District Goals

The North Clackamas School District's mission is "Inspiring graduates to act with courage in life and to strengthen local and global communities." For 2022-2027, NCSD's key strategic points are: Student Experience & Success, People & Culture, Family & Community Collaboration, and Resources & Service. We create environments where students are inspired to be creative and critical thinkers as they prepare for success in life, college, and career.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
